**WHEREAS**, The District has prepared the 2022 Legislative Platform in keeping with its Mission and directives; and

**WHEREAS**, The Legislative Platform is a tool to protect and promote the District’s interests on priority issues and legislative/regulatory matters that may impact the District from actions taken at the local, state, and federal level; and

**WHEREAS**, The guiding principles and policy statements within the Legislative Platform allow District staff and counsel to address legislative and regulatory issues in a timely and directed manner, without precluding the District’s consideration of additional legislative matters arising throughout the year; and

**WHEREAS**, District Counsel, and the District Board, have reviewed and approved the Legislative Platform in its current form;

**NOW THEREFORE BE IT RESOLVED** that the Northern Sonoma County Air Pollution Control District’s Board of Directors does hereby adopt the Legislative Platform in the form presented.
